Education

Nxtwave Disruptive Technologies(CCBP)	**Mar 2023-Ongoing**

Industry Ready Certification in Front End Web Development

 I have recently completed training in the NareshIt specifically designed for frontend developers. Throughout the program, I acquired a comprehensive set of skills and knowledge necessary to excel in the field. From the fundamentals of HTML, CSS, Reactjs and JavaScript to advanced concepts such as responsive web design, user experience optimization, and front-end frameworks like React, I have gained a deep understanding of the frontend development landscape

Sree Chaitanya College of Engineering,Karimnagar, Telangana	**2019**

Mechanical Engineering- [**63%]**

Trinity Junior College, Peddapalli, Telangana	**2015**

Intermediate (M.P.C) - [**72%]**

Viveka Vardhini High School, Warangal,Telangana	**2013**

S.S.C **- [8.8 CGPA]**

Technical Skills

Front-End	HTML, CSS, Bootstrap, JavaScript, React.js ,react native
Back-End	Node.js

*Learning Nodejs,react native, redux

Objective

Seeking an oppurtunity as a Frontend Developer where I can utilize my skills in HTML, CSS, JavaScript, and React.js to develop innovative and user-friendly websites and applications. To enhance my skills and knowledge which can benefit the organization

 I am a quick learner, passionate about coding, and eager to contribute to a dynamic team in a fast-paced environment

Projects

To-do List Website	**Jan 2024**

Developed a dynamic website that enables the user to create, edit, track the status of each to-do item and are able to persist them over page reloads
Technologies: HTML, CSS, Bootstrap Flexbox, Reactjs

https://github.com/Anil699/new-todo-/tree/master/src

Counter App   **Dec 2023**

Developed a dynamic and responsive website that enables the user to count the numbers with Counter App by using React js with Class components
Technologies:REACTJS
https://github.com/Anil699/reactcounter123/tree/master

Blog list Details   **Jan 2024**

Developed a project of Blog list item details we can shift from one page to another page
https://github.com/Anil699/router/tree/main/src/components
